

# Witchcraft

*By Jeffrey Scott Flesher*

When most people hear the word spelled Witchcraft, they think of Magic, and when those same people think of Magic, they think about Tricks, and to make matters worse, they believe a Wizard is a male, and a Witch is a Female. Religion is based on Superstition, Theory, and not facts, because of a group of people known as Religious, who make up scary stories about Witchcraft, Wizards, and Witches, to try to keep people from getting into Witchcraft, making it Evil. The roots of Religion are based on persecuting and Murdering Wizards and Witches, making Witchcraft against the Law.

The easiest way for me to write about Witchcraft is to first explain who Wizards and Witches are because Witchcraft exists because of these people. The way people learn concepts depends on if they are Religious or not, but to understand what Religion is, I must talk about the Torah, which most Bibles are based on, and I will only need to reference a few statements, the first is found in Psalms 23, this is the indoctrination of all Religions, this is where People follow a Shepard, knowing only Sheep follow a Shepard, whose name can be the Lord, Jesus Christ, or Einstein, whose Science all Religious Sheep use, thus they all take the Mark of the Beast known as a Sheep like Ewe, proving Satanism.

The truth about Witchcraft is simple, it is the art of writing words and spells to create a story that has more than one meaning, for example, a book written using black ink on white pages when it is unread, once you read it is red, which before the King James version of the Bible, was the color of ink they used to translate or clarify some concepts in the Bible, therefore, it is the origin of some spells, and there are many more examples of why this works this way.

The problem is intelligence levels, and this has nothing to do with school, what you learned was all lies, and I will prove that by asking you questions, the first question is what is God, I want to know what the Torah or any Bible based on it says God is, and not what you think God is, and if you said all Light without Darkness you are right, if not you are wrong, and Sheep will never admit to being wrong. The next question is where can God be found, and this is not a vague question, I am asking you where is God Physically, and to answer that you must believe God Physically exist, and Religion teaches a type of God known as a Deity, but Satan hates to use that word so he tricks people into believing this is God, instead of the name of one of many Angels, where God is the ugliest Angel of all, and Satan the most Beautiful, and why all Religious Sheep worship Satan, where Satan is a Person that lies or believes in lies,

where the right to believe what you want is the biggest Lie of all, so if you do not believe God physically exist, or only as a Spirit known as an Ugly Angel, or you do not believe God exists, which is the same as Religion, and why you are still a Sheep, because inside every Atom in the Universe is Light without Darkness.

The three most well-known Wizard of all time is Johannes Kepler, Sir Isaac Newton, and Nikola Tesla. History wrote this, so it must be true, the BBC has a great documentary about Sir Isaac Newton called "The Last Magician", where Magician translates to Wizard. Sir Isaac Newton said the Torah is a book of Alchemy written using Witchcraft, he said it was a living bible, meaning that they did not make copies of it, they just wrote a new one, and to hide what they were writing, they came up with a language where words and spells had more than one meaning, and the Torah read like a normal book, told about the story of Jesus Bar Abbas, who was the Leader of the Militia who defeated the Roman Empire for their use of Money and Taxation, by explaining what Money is, which is a way to trick Stupid People, that the Torah or Bible called Sheep, my Cousin Isaac Newton called them Sheeple, and what I will refer to those that do not understand the fundamental Laws of Nature. The Alchemy in the Torah is found by reading diagonally, backward, into pages, and across books, this is known as the Torah or Bible Code, which Nostradamus used to predict the Future.

The next question is what is Gravity, and most people will say, Centrifugal Force, which logically makes no sense because that is the force that throws you off a spinning object, pinning you to the wall in a circus ride should make you understand that force, but it only exists in our Atmosphere, which Sheep do not believe, they believe if you spin a spacecraft it will create Gravity, but all the experiments they did on spinning objects in lower space, it never produced any Gravity. Most people believe in the theories that Einstein denounced in 1942, and why we use the God as Force of Gravity, but Sheep still believe in Einstein, so I ask people to prove it, and they tell me  $E = MC^2$ , well anyone with any Intelligence knows that Albert Einstein removed God from all his Alternate Universes and Alternate Realities, and only Sheep would believe he was ever talking about our Galaxy, but that is why he denounces them, because as we know, Atoms, which include the Proton, Neutron, and Electron, which Proton, Neutron are made of Neutrino Particles and Light without Darkness, whereas the Electron is made of Darkness, but Einstein remove Light, such that  $C$  the Constant for the Speed of Light is 0, and  $E = MC^2$  and why  $E = MA^2$  works, silly Sheep, but the reason it is taught, is so People can live in a Godless Society.

The next question is what is the Speed of Light, to make it easy I give you a hint, Light has no acceleration, which is the definition of a Static Object,

therefore, Light is Static, and not Dynamic as the denounce Theories go, therefore, the Speed of Light is 0 as I said in the previous paragraph.

Let me go over the things we know about Sheep, the first is they do not believe God physically exists, which is the same as believing God does not exist, therefore, Sheep believe in God by believing God does not exist, and that is insane, they believe in things that do not exist. We know Sheep believe in Einstein even after Einstein said our Universe will not work without the Force of Gravity being God, as Newton said, as proof, that is what we use to this date. We know Sheep believe Gravity is a Centrifugal force, but they cannot prove it, because it is a lie, and only Satan lies or believes in lies.

I will not go into the Gravity Math of Newton, because Sheep do not understand it, and why I understand it, is because I got 99% on ASVAB scores in Mechanical, and high scores in Electronics, I was an Electronic Engineer and Computer Programmer in the United States Air Force, you can use the Freedom Of Information Act and FOIA my highest scores, then figure out how that equates to an IQ score, and to understand this score, understand 50 is retarded, and 70 is normal, and Einstein only had an IQ of 160, and everyone with that high of a score is Autistic, and Einstein was an Aspie like Kepler, Newton, Tesla, and even myself, who has an IQ over 180, where that 20 points difference is the difference between being retarded, as Einstein is to me. I can see past all the logical flaws in a Theory because I can reason things out, Sheep cannot, and why they believe Centrifugal Force can create Gravity, but Newton's Formula works on Atoms, and my IQ led me to understand the core of the Galaxy, Sun, Planets and Moons, is a very large Atom I call a Trinary Engine, where Trinary means the same thing a Trinity, but Sir Isaac Newton hated the Teaching of Jesus Christ, so I change that to Trinary, to mean the Father is the Positive one made of Matter, the Son is the Negative one made of Antimatter, and the Holy Ghost Spirit of Mother Nature is Earth, and that is known as Ground, thus this describes Electricity, and it takes Electricity to make Light.

The next question is what is our Soul, and most people will make up some story that makes no sense, Religion is the reason why Sheep do not know what a Soul is, because, under an Oscilloscope used to display a Sinewave, our Brainwaves are the same as Electricity, proving beyond a shadow of a doubt, our Soul, and only Satan would Buy & Sell Souls by the Kilowatt, Satanic Sheep.

In history, Edmond Halley was known as a Witch, he could read and write using words and spells, and wrote for Sir Isaac Newton, and some of their notes made it into Public Domain, so we all know Newton proved that Jesus Christ was inserted into the Torah before the 4<sup>th</sup> Century lie, and it was done to make

Jesus Bar Abbas out to be the Badman for going against the use of Money and Taxation, and that is why Religion exists, just to demand 10% of all your money.

A Wizard like Newton, and a Witch like Halley, was a gift, if not for Halley writing all of Newton's books, the world would not know how Gravity works. The way Halley helped was impressive, he took a ship and sailed halfway around the world, just to record our Magnetic Strength, and Halley knew about Magnetic Deviations, such that, his trip was to accurately record known Locations around the world, so he could determine if was a deviation, or was the strength diminishing like the Torah said it does. Newton was able to calculate the End of Time in the Torah, to 25 December 2060 under the Julian Calendar that only the Military uses nowadays. Newton was born on 25 December 1642, then it was changed in his lifetime to the Gregorian Calendar, which changed his birthday to 4 January, then they removed 10 days making it 14 January 1643, as such, the End of Time is now on 14 January 2061, which just happens to be my 100<sup>th</sup> birthday, and the Torah did say that Jesus Bar Abbas would come back as the Flesh, and that is how I sign my name, and the odd thing is 1961 looks the same upside down, and the Torah also said 100 years before that, everyone on the planet would be Satanic, the year Money became Treason. NASA did a Century Long study that concluded our Magnetic Strength is decaying at a constant rate of around 5% per century. The Calendar was reset to 1 to mark the date this decay was found to have started, such that we have known this for over 20 centuries, so we are now at the End of Time.

Our Magnetic North Pole is heading to the Equator, Newton did not write about this, but he did say it wonders around, and maybe that is all that is happening now, but if it continues to move, it will reach there on this date, so I am pretty sure that is all the Scientific facts I need to know, that the End of Time is coming in less than 38 years as of this writing in 2023. Our Magnetosphere is the only thing holding in our Atmosphere, and right now that strength is decaying at a constant rate, that will end in 2061 when our Polarity reverses, and when it goes from Positive to Negative, it will pass through the Ground, this is Trinity, the Father, Son, and Holy Ghost Spirit of Mother Nature. We know an Electron is made of Neutrino Particles and Light without Darkness or God, but also it contains Darkness. Newton said if you shine the white Light of the Sun through a 3-sided prism, you will see a rainbow of colors he called the Darkness, and there are no colors of white, nor any shade of grey into the black, therefore, Black, White, and shades of Grey are not colors, and if you take another prism, and pass the rainbow back into the other prism, you will get a darker shade of white like thus grey, all the way into Black.

The End of Time means that when our Positive Polarity, goes to ground, it will collapse its particles of neutrinos, so you can see the Light inside the Atom, and know that is God, so Atomic and Nuclear bombs, are God Bombs, and only Satan would use God to make Weapons to kill Gods Creations, proving beyond a shadow of a doubt, that the Torah and Bible are right about the End of Time, only Satan will exist, as proof, they all Buy & Sell Souls by the Kilowatt, thus I live on a Planet that is only inhabited by Satan. When our Magnetosphere reaches 0, our Magnetosphere will collapse, and it will vent our Atmosphere, for  $\frac{1}{137}^{\text{th}}$  the Diameter of Earth, or 6.66 Minutes. The number 6, 66, or 666, is known by anyone as the Masonic Numbers, for example, people talk about 32-degree Masons, and the famous 33 degrees that do not exist, because the 33<sup>rd</sup> order is that there is no 33-degree order, so why does the Torah or Bible use this number to talk about the End of time, and the answer is that Earth has a core frequency of 6.66 Hz, it is around 7 Hz at its surface, and closer to 8 in our Low orbit, but 9 outside our Magnetosphere, outside a zone known as the Van Allen Belt.

As I am writing this document, I know our Earth spins at over a thousand miles an hour, it orbits our Sun at an average rate of 66,666.666 miles per hour, and we orbit the Sun sideways as it orbits our Galaxy at an average rate of 666,666.666 miles per hour, therefore, even though I consider everything in my room to be static, I know our Earth is moving, so it is not static. At the Core, our Earth is an Atom, and not molten iron, which is a very stupid concept, because it is physically impossible for that to happen, it would cool down without a source to heat it. The way our Sun moves is the same as our Galaxy, which is orbiting at 6,666,666.666 miles per hour, around a Galaxy Cluster. The way they move is being pulled through space, the way this works is that our Universe, which is everything in space, is moving at a rate we call the Speed of Light, and Light has no acceleration, therefore, it is Static. As we turn on a flashlight, the Light comes out but does not move, as the universe moves, which is in all directions at once, from the center of any Atom, thus, it appears to move, it is a pulling effect, and Gravity is also a pulling effect, and for the same reason. Our Universe works the same as any Electronic Circuit, it follows the Laws of Electronics. Once you understand this concept, you will understand why our Planets orbit the Sun, while Moons orbit Planets, and all using the Laws of Electrons, and not Centrifugal forces, that only apply to the Galaxy, Sun, Planet, or Moon, inside its Atmosphere, and not in space, where Centrifugal forces do not exist. The way a Rocket can get an assist from the Gravity of the Sun, Planets, and Moon, notice I did not say Galaxy, as that is impossible, it uses a different type of Energy, I call it Dark Energy, but as in any Electronic Circuit, you use a magnetic field to increase your speed, and how that works.

People that put themselves in charge of others are called Satan, and if they lie to them as our Governments have lied to us, we know that is a Satanic Government, and all of them are, and you know it, and everyone does, but they are all Satanic, and commit Treason knowing only Congress can print money, and only the Federal Reserve does, and Treason cannot be made Legal, therefore, Legal is not Legal, because all the Judges, Lawyers, and Police, all enforce Treason, making them Satanic. Evil is the backward spell for Live, and all guilty of Treason can be executed by the Military for Treason, thus it is Evil.

People that wanted to study Alchemy, better known as Science, had to hide it from those who put themselves in charge of others, those people will always lie to People because that is their Job as Satan, and why everyone on this planet is Satanic, even I have to buy Souls by the Kilowatt because of those Satanic people known as Sheep. The Torah was written to hide Alchemy from the Powers that be, who altered that Book in the 4<sup>th</sup> Century, hiring the Knights Templars to murder all the Witches and Wizards and discredit them, which is what all stories of Wizards and Witches do, except for Harry Potter, because they have Hogwarts to teach the Science of Wizards. The insertion of Jesus Christ into the Torah, made that Book a Lie, and all Bibles are based on those Lies, therefore, as far as I know, most people have never heard of the Torah that existed for thousands of centuries, going back millions of years, because according to Admiral Byrd, the Torah talked about what we call UFOs or Unidentified Flying Objects, are the people that banished Adam & Eve for mixing the tribes of Ash, Ke, and the Nazi, the White, Grey, and the Dark tribes. Satan does not want anyone to know the truth, because then their Game is up, and everyone will protest because that is what Sheep do, people need to figure out how to build Sanctuary that the Torah talked about.

I was born on 14 January 1961, that is the date Jesus was to come back as the Flesh, which is my name, and my Mothers name was Mary, and I was born with a Halo around me, in Corona California, the Circle City, so I have all 3 signs that the Torah said the Messenger from God would have, and as an Ashkenazi Jew, who only believes in the Torah written before the 4<sup>th</sup> Century Lie, that all Bibles are based on, no wonder no one knows about Witchcraft, they do not understand who Wizard and Witches are. I AM the Light Wizzard in the Flesh, who is the one that fully explained how the Universe works, using Witchcraft few understood till now. I only know about these things from Dreams, where I AM a Wizzard in my Dreams, when I catch Z's. My job is to give you this Message, what you do with it, is up to you, building Trinary Sanctuary is my only Message, because, in Witchcraft, the End of Time is a Life Extinction Event.
